

Shared Training Courses (STC)

(Share the Training / Share the Cost)

En-Safe Safety Training and Consulting Services

En-Safe has been providing professional training and consulting services for Industrial / Commercial / Institution (ICI) and Construction sectors since 1992. En-Safe is a privately owned company conducting business in YOUR community and has trained over 3,000 companies.

What is STC?

- ◆ Matching up companies who require 1-6 employees trained. *(See Course Matrix for class Maximums)*
- ◆ Sharing the cost of the training
- ◆ Finding companies who are willing to host a class and have other companies attend.
- ◆ Require suitable area for theory and practical
- ◆ Training can be customized
- ◆ En-Safe forwards documentation to each company after the completion of the course

Who are Ideal Candidates for STC?

- ◆ Companies requiring 1-6 employees to be trained who would prefer enhanced on-site training
- ◆ Companies who are willing to travel, if necessary
- ◆ ICI and Construction Sector companies
- ◆ Companies with some flexibility in order to match up with other companies
- ◆ General Contractors and their sub-trades
- ◆ Associations
- ◆ The GTA will be our Pilot area for the STC Program

En-Safe's more popular courses:

- ◆ WHMIS
- ◆ Working at Heights
- ◆ Confined Space
- ◆ Construction Heat ROTs
- ◆ Lift Truck, Scissor and Boom
- ◆ Safety Management
